Grupo YES CERTIFICATES

- All our producers and our entire production are "QUALIFIED", which means that we deal responsibly with the needs and requirements of our clients
- Our quality system provides the consumer with absolute information (safe and reputable production): WHERE, HOW, WHEN, WITH WHOM... so that they are aware of the improvement of health and quality of life through fruit and vegetable consumption. The consumer is also aware of the enjoyment of fair and social food, as well as having contributed to the natural balance in fruit and vegetable production areas.
- We are aware that today's consumers want to know what they are eating. We work hard to achieve this from our end of the chain straight to the customer.
- **Season plafinification:** we are able to supply all your depots with fresh fruit and vegetables from Spain

THE SATISFACTION OF THE END CONSUMER IS THE CORNERSTONE OF OUR SUCCESS AND THE MAIN GOAL OF OUR COMPANY.
